Version 41.0.2272.101 m

 Checking for updates...

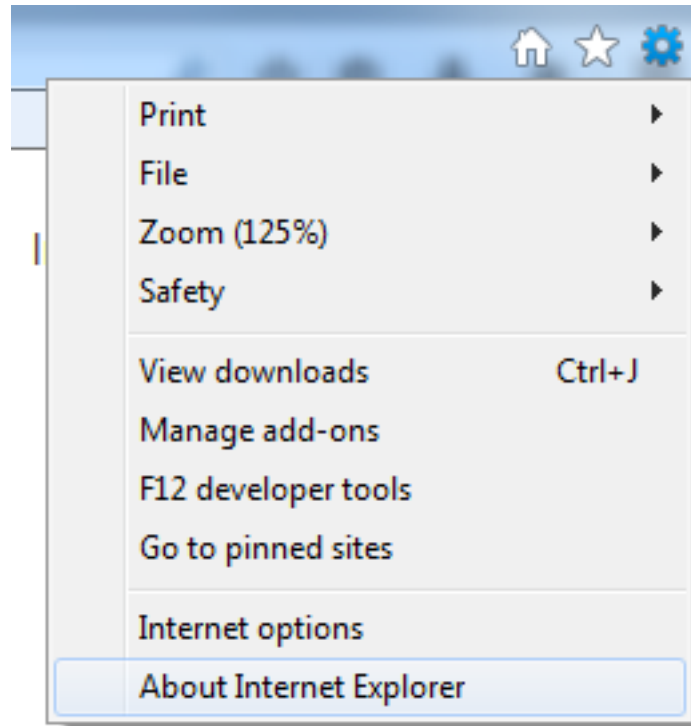

Firefox

On the menu bar, click the **Firefox** menu and select **About Firefox**. The About Firefox window will appear. The version number is listed underneath the Firefox name.

Internet Explorer

Open Internet Explorer. From the menu bar, click Help and then select About Internet Explorer. The browser version will be displayed in the information screen.

Safari on a Mac

Open your Safari web browser by clicking on the Safari icon in the dock. Click on Safari in your Safari menu, located at the top of your screen. A drop-down menu will now appear. Choose the option labeled About Safari.
